The Bionic Ear Show

at Nottinghamshire Deaf Society

Friday 24th February
Show starts at 11am

deafness research uk

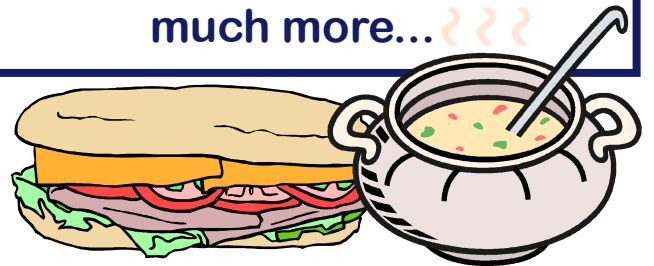

BIONIC
EAR
show

With Lipspeaker

The Bionic Ear Show is an educational, fun and interactive show that promotes safe listening. During the show you can learn how sound travels through the ear to the brain, become a sound wave and much more...???

The Community Café will be open after the show.

The show is FREE, reserve your place now.
